

**There
is
hope.**

**Is your loved one suffering
from opioid addiction?**

We can help.

BHcare's **Medication Assisted Treatment (MAT)** offers comprehensive substance abuse services for individuals struggling with drug addiction.

Our **MAT** program includes prescribed medications, in combination with counseling and behavioral therapies, to provide a "whole-person" approach to the treatment of substance use disorders.

MAT has been proven to help individuals modify their behavior and encourage positive lifestyle changes for long-term success.
