

**There  
is  
hope.**

**Is your loved one suffering  
from opioid use disorder?**

**We can help.**

BHcare's **Medication Assisted Treatment (MAT)** offers comprehensive services for individuals struggling with opioid use disorder.

Our **MAT** program includes prescribed medications, in combination with counseling and behavioral therapies, to provide a "whole-person" approach to the treatment of opioid use disorders.

**MAT** has been proven to help individuals modify their behavior and encourage positive lifestyle changes for long-term success.
